Nijverheidsstraat 10

BE-1840 Londerzeel - Belgium

A strong powerful machine for Green Concrete cutting and all types of repair work on both Concrete & Asphalt surfaces.

- Design of the water tank changes the centre of gravity of the machine when lowering the blade for cutting giving just the right amount of pressure to the blade for maximum cutting effect.
- Recessed rear wheels making a cut long an open trench simple
- Rigid front pointer to assist straight accurate cut
- Easy and accurate handling
- Easy maintenance
